Jeff –

Thank you for sending me the complaint - I had been interested in seeing it just so I knew more about what the case is about.

Just to be clear, and to avoid any confusion, as I told you when we spoke, I have not represented Hammy Media for some time and am not currently representing them (in connection with this or any other matter). I will attempt to contact someone at Hammy Media as I said (though I will not be forwarding them the complaint), but, as we discussed, I have no idea if they will choose to retain me in connection with this matter and I have no idea what their position might be in connection with service of process. Indeed, in my experience, many clients choose not to retain litigation counsel until such time as they have been properly served.

The bottom line is that I am not currently representing Hammy Media and have no authority to accept service on their behalf. I will, however, let you know if I hear back anything.

Evan

Evan – thanks again for returning my call and agreeing to reach out to Hammy Media to see if we can dispense with the formality of service through the Hague process. I look forward to their response.

I am attaching a copy of the latest Complaint.
